Dr. Alma Rader Retires

Dr. Alma R. Rader, instructor in Bible at Bryan since 1941, has announced her retirement effective with the close of the current academic year in June. During her early years at Bryan she was also dean of women for seven years. Miss Rader plans to continue to make her home in Dayton with Mrs. E. B. Arnold, a trustee of the College, with whom she has lived for a number of years.

“Dean Rader,” as she was principally known during her years of personnel service, came to the College with a wide background of training and experience. She was graduated from Moody Bible Institute, Bliss Business College of Columbus, Ohio, and she attended the Columbus (Ohio) Normal School for Teachers. Although not holding an earned degree, this formal preparation together with her continued private study and her experience as a Christian worker made Dr. Rader a Bible teacher of such quality as is rarely found even among those of definitive formal training. Through her Bible teaching, particularly in the Old Testament survey course, she has taught more students than any other classroom teacher in Bryan history.

Her Christian service includes sixteen years at Moody Bible Institute as registrar and teacher in the missions department; two years as a missionary in India, work which she had to relinquish for reasons of health; and sixteen years in the work of the Y.W.C.A. in Pittsburgh, Atlantic City and then in Butler, Pennsylvania.

In 1960 Miss Rader was awarded the honorary Doctor of Sacred Literature degree at Bryan’s 27th annual commencement. This is one of only three honorary degrees to be conferred by the College in its thirty-two year history. Dr. Rader is a second cousin of the famous evangelist, the late Paul Rader.

1962 Commencement Features Two Minister-Educators

Rev. Lester E. Pipkin of Bradley, W. Va., and Rev. Samuel C. Patterson of French Camp, Miss., will speak at the two major events of the twenty-ninth annual commencement on June 3 and June 5, respectively, in exercises concluding the thirty-second year of the College. The thirty-seven seniors participating in the graduation ceremonies will bring the total of full graduates of the College to 689. The pictures of the senior class appear on page 2.

Mr. Pipkin, who is president of the Appalachian Bible Institute, will preach the baccalaureate sermon on Sunday in an 8:00 P.M. service at the Rhea Central High School auditorium. Mr. Patterson, president of French Camp Academy, will address the seniors at the Tuesday graduation convocation scheduled for 10:00 A.M. under the trees on the campus.

Mr. Pipkin holds his bachelor’s degree from Bemidji (Minn.) State Teachers College. He completed the pastor’s course at Moody Bible Institute and earned his bachelor of divinity degree at Bethel Seminary in St. Paul. His experience includes eight years in the pastoral ministry and five years in teaching and administrative educational work prior to his association with the Appalachian Bible Fellowship which he founded in 1950. The Bible Institute, which he serves as president and as one of the teachers, is one of the ministries of the Fellowship.

Senior Ronald Lusher and Alumnus Cary Perdue ’58 are both graduates of Appalachian. Mr. Pipkin is widely known in evangelical circles as a conference speaker and preacher.

Mr. Patterson did his undergraduate work at Southwestern in Memphis where he majored in Greek. He received the bachelor of divinity at Union Seminary in Richmond, Va. He served Southern Presbyterian churches in Virginia prior to World War II, when he entered the chaplaincy of the Marine Corps. After the war he served as pastor for four years in Mississippi before going to French Camp Academy in 1950 as president. French Camp is located on the historic Natchez Trace and got its name in the early days of colonial settlement. The Academy is a private Christian boarding school, which also serves as the public high school for the local community. Alumni Howard ’55 and Marsha King ’57 are members of the faculty at French Camp Academy.

Mr. Jewett comes to the College with eight years of experience as a Christian education and music director. He has served churches in Minneapolis, Minn., and Hamilton, O., and his current connection is with Calvary Baptist Church of Bradenton, Fla., of which Dr. D. R. Hubbard is pastor.

Bryan Lions Enjoy Winning Season

The Bryan basketball Lions, coached by Jim Voight, racked up their second winning season, 16 to 13. At the halfway point the Lions, playing much stiffer competition this year than last, had a 7-7 record but in the second half won 9 of 15 games, this in spite of the fact that Bryan lost at the end of the first semester LeBron Bell, the team’s leading scorer and last year’s top national small college scorer. This year Bell ranked 19th in small colleges with an average of 25.6. Other Lions averaging more than 10 points per game were Wayne Dixon, (14.6), sophomore, Alcoa, Tenn.; Jerry Clay (13.3), freshman, Lexington, Ky.; and Frank Mercer (13.3), freshman, Central City, Ky.

The team ranked 24th offensively among small colleges in the finals, with an average of 84.6. In other statistics Bryan averaged 84.5 points per game as against 78.0 average for opponents.

The season’s record is as follows:

104 John Marshall 41

120 Cincinnati Bible Seminary 19
72 Milligan 18

79 West Georgia 18

The Lions won the Grace College invitational tournament at Thanksgiving with victories over Grace and Greenville.

The cross-country and track program this year has been under the capable leadership of Robert Carigton, a junior and a married student, who has himself set a number of Bryan track records both in the past and this year.

In track four new records have been set. Two of these were by Carigton, in the 440-yard dash (51.0) and 880-yard run (1:59.5); Jerry Clay, freshman from Lexington, Ky., set a new Bryan record in the broad jump (20.0); and a new team record has been set in the mile relay (4:40.8) with the team composed of Carigton, Walt Reicheiner, sophomore, Lavertown, Pa.; Tom Ashworth, freshman, Dayton, O.; and Ken Utley, junior, Nashville, Tenn.

The season’s record thus far (with 3 meets to go) is 3 wins and 4 losses.

DR. RADER RETIRES
(Continued from page 1)

Memorial Book Collection

At the suggestion of Richard Cornelius ’55, assistant professor of English at Bryan and one of Dr. Rader’s former students, the College has inaugurated the ALMA F. RADER BIBLE AND RARE BOOK COLLECTION as a memorial to this faithful teacher. Already in the collection are a “Britches” Bible, the Geneva Bible of 1609; a Bible with Dwight L. Moody’s autograph in it; books containing the signatures of William Jennings Bryan and Dr. H. A. Ironsides; and some dozen foreign Bibles.

The kinds of books desired for this collection include the following:

1. Any foreign Bible, New Testament, or Scripture portion. (It is hoped that each Bryan missionary will be represented by a portion of Scripture in the language of the people with whom that missionary worked.)
2. Old books (American books printed east of 1820, American books printed west of the Appalachians prior to 1850, English books prior to 1800, and all books printed before 1600.)
3. Associational books (books belonging to famous people—such as a Bible or commentary with Billy Sunday’s signature in it, etc.)
4. Books with very fine or unusual bindings or significant illustrations.
5. Limited editions. (A book or set of books which states in the fact that only a relatively small number of copies were printed and that this is copy number X.)

All those lending or giving books to the Rader Collection are requested to include a card giving any pertinent information about the book (such as the fact that on a certain page John Wesley’s signature appears, etc.) Anyone sending a foreign Bible is asked to furnish such information as the language or dialect, the country, the date and place of publication, interesting facts regarding the translation, etc.

Every book given to the Rader Collection will have a bookplate with the donor’s name on it. Any book loaned to the Collection will have a similar acknowledgment, and Bryan College will be entirely responsible for its care and safety until such time that the lender requests the book to be returned and actually receives it.

At the annual Honors Day on May 25, Dr. Rader will be honored in other ways for her years of service to the College.

‘Blueprint’ Attracts Favorable Response

In February, the first number of the Bryan Blueprint was distributed. Since then two additional monthly issues have been mailed out. This new publication, growing out of the work of the Planning Committee of the Board of Trustees, has received both definite and favorable response. The chief purpose of the Blueprint is to clarify the image of the College in terms of its philosophy, the institutional objectives, the aim of the curriculum, and the total educational program. Rather than giving news about events and personnel of the College, the Blueprint primarily endeavors to deal with the underlying issues and the foundations of the school, as well as the plans for development.
